RE: Kaleidoscope of Hope Walkathon (September 24, 2011)

Dear Mayor and Council:

Per the advice of Michelle of your Borough Clerk's office, I am writing to ask your approval for the following requests.

On Saturday, September 24, the Kaleidoscope of Hope Foundation, a non-profit organization that raises funds for ovarian cancer research, desires to conduct its 4th Annual Walkathon in Avon-By-The-Sea. In order to get our full 5 miles, we are asking Bradley Beach and Belmar to again allow our walkers to use parts of the town's boardwalk. Our walkers have enjoyed the Bradley Beach boardwalk since 2007.

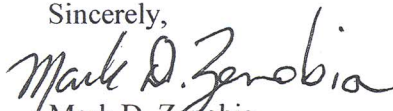

The walk would start in Avon at approximately 10:00am, proceed south into Belmar, then turning to head north through Avon and Bradley Beach before turning and returning to Avon. It is estimated that 350 walkers (widely spread out) will be on the Bradley Beach boardwalk between 10:30 and 11:30 AM.

On behalf of Kaleidoscope, I ask that you give approval to this request. No Bradley Beach services will be needed or requested and all water bottles will be in the appropriate containers.

Thank you for your cooperation.

Please call if you have any questions.

Sincerely,

Mark D. Zenobia
Event Director
