Dear Mayor Schreck and Council Members,

The Bradley Beach Public Library would like to request to be able to stake a sign in Riley Park to advertise for events at the Library during National Library week April 11-17. The Library is planning several special events including writing workshops, music performances, and an author visit. We are looking to have a banner made and would like it displayed similarly to how the Recreation Department advertised for their Fall Festival. We would like to have the sign up from Thursday April 1 through Saturday April 17.

Thank you for your consideration of our request.

Sincerely,

A handwritten signature in cursive script that reads "Susan O'Connor".
