February 24, 2010

Dear Mayor Schreck and Council,

My name is Stu Coogan, race director, for the Bradley Beach Run. This notice is to officially request permission to run the 13th annual Bradley Beach Run this August. We will hold the 5K run on Saturday, August 21st at 8:30 am and the kids' races Friday, August 20th at 6:30 pm. We request liability coverage by the Borough's liability insurance for both events. The times, courses and logistics are the same as last year. We plan to meet with the police, PWD and the First Aid squad prior to the race to coordinate course layout and safety considerations.

In addition, we had brief conversation about allowing free beach access to runners who show their race bibs after the race, in order to keep them and their family/ friends in Bradley Beach for the day. I would ask that you consider this and let me know of your decision so we can note it on the race applications which need to be finalized by the end of March.

The benefactors of the race again will be various good causes in town. The total raised for the first twelve years of the race is nearly \$90,000. This money has been distributed to the Food Pantry, the Fire Department, the First Aid Squad, the Rec Center, the Library, the Police Dept., the Bradley Beach School, the Historical Society and the Fletcher and Sylvan Lake Commissions.

Thanks for your support.

The Bradley Beach Run Committee
