To Whom It May Concern,

The Bradley Beach Public Library is intending to have a musical performance program by singer Billy Brown on Tuesday, July 20 at 6:30 pm. The program will last an hour. If the weather is nice, we would like to consider holding the program outside. The program would take place on the Library's west side lawn (on Hammond Avenue).

I wanted to put this request in to make sure a small outdoor performance would be okay. Mr. Brown would be using a microphone with speakers. We thank you in advance for your assistance.

Sincerely,

Susan O'Connor

Program Coordinator
