Mayor Schreck and Members of Council

**Please consider this letter a request to respectfully ask the Borough of Bradley Beach to waive Fire Inspection fees for food vendors who will be present at the Chamber's Lobster Fest on Sunday, July 18, 2010 on the beachfront. Our vendors are willing to be inspected by the Fire Marshall.**

**This event is being held on the boardwalk for the first time and the vendors are not sure of the expenses involved in this new venue. If things go well and this event is, hopefully profitable for the vendors, they will be more than willing, in the future, to pay the usual fees involved.**

**Thank you for your attention to this matter.**

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Simonsen".

President**
