**BOROUGH OF BRADLEY BEACH
BOND ORDINANCE NUMBER 2010-5**

BOND ORDINANCE PROVIDING FOR VARIOUS 2010 ROADWAY IMPROVEMENTS, BY AND IN THE BOROUGH OF BRADLEY BEACH, IN THE COUNTY OF MONMOUTH, STATE OF NEW JERSEY; APPROPRIATING \$337,000 THEREFOR (INCLUDING A GRANT RECEIVED OR EXPECTED TO BE RECEIVED IN THE AMOUNT OF \$210,000) AND AUTHORIZING THE ISSUANCE OF \$120,650 BONDS OR NOTES OF THE BOROUGH TO FINANCE PART OF THE COST THEREOF

BE IT ORDAINED AND ENACTED BY THE BOROUGH COUNCIL OF THE BOROUGH OF BRADLEY BEACH, IN THE COUNTY OF MONMOUTH, STATE OF NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) **AS FOLLOWS:**

SECTION 1. The improvements or purposes described in Section 3 of this bond ordinance are hereby authorized as general improvements or purposes to be undertaken by the Borough of Bradley Beach, in the County of Monmouth, State of New Jersey (the "Borough"). For the said improvements or purposes stated in Section 3 hereof, there is hereby appropriated the sum of \$337,000, said sum being inclusive of a \$210,000 grant received or expected to be received from the New Jersey Department of Transportation (the "Grant") and a down payment in the amount of \$6,350 now available for said improvements or purposes as required by the Local Bond Law, as amended and supplemented (N.J.S.A. § 40A:2-1 et seq.) (the "Local Bond Law"). Said down payment is now available therefor by virtue of a provision or provisions in a previously adopted budget or budgets of the Borough for down payment or for capital improvement purposes.

SECTION 2. For the financing of said improvements or purposes described in Section 3 hereof and to meet the part of said \$337,000 appropriation not provided for by application hereunder of the Grant or said down payment, negotiable bonds of the Borough are hereby authorized to be issued in the principal amount of \$120,650 pursuant to the Local Bond Law. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the Borough in a principal amount not exceeding \$120,650 are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

SECTION 3. (a) The improvements hereby authorized and purposes for the financing of which said bonds or notes are to be issued are various 2010 roadway improvements to various roads, including but not limited to, Fletcher Lake Avenue from Second Avenue to Lake Terrace, such improvements shall include but are not limited to, as applicable, milling, paving, reconstruction and resurfacing the roadways, the repairing and/or installation of curbs, sidewalks and driveway aprons, drainage work, roadway painting, landscaping and aesthetic improvements, and also including all engineering and design work, surveying, construction planning, preparation of plans and specifications, permits, bid documents, construction inspection and contract administration, and all work, materials, equipment, labor and appurtenances necessary therefor or incidental thereto.

(b) The estimated maximum amount of bonds or notes to be issued for said improvements or purposes is \$120,650.

(c) The estimated cost of said improvements or purposes is \$337,000, the excess thereof over the said estimated maximum amount of bonds or notes to be

issued therefor is the Grant in the amount of \$210,000 and the down payment in the amount of \$6,350 available for such improvements or purposes.

SECTION 4. Except for the Grant, in the event the United States of America, the State of New Jersey, and/or the County of Monmouth make a contribution or grant in aid to the Borough, for the improvement and purpose authorized hereby and the same shall be received by the Borough prior to the issuance of the bonds or notes authorized in Section 2 hereof, then the amount of such bonds or notes to be issued shall be reduced by the amount so received from the United States of America, the State of New Jersey and/or the County of Monmouth. Except for the Grant, in the event, however, that any amount so contributed or granted by the United States of America, the State of New Jersey and/or the County of Monmouth, shall be received by the Borough after the issuance of the bonds or notes authorized in Section 2 hereof, then such funds shall be applied to the payment of the bonds or notes so issued and shall be used for no other purpose. This Section 4 shall not apply, however, with respect to any contribution or grant in aid received by the Borough as a result of using funds from this bond ordinance as “matching local funds” to receive such contribution or grant in aid.

SECTION 5. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the Borough, provided that no note shall mature later than one (1) year from its date or otherwise authorized by the Local Bond Law. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with the notes issued pursuant to this bond ordinance, and the signature of the Chief Financial Officer upon the notes shall be

conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time in accordance with the provisions of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver them to the purchaser thereof upon receipt of payment of the purchase price and accrued interest thereon from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this bond ordinance is made. Such report must include the principal amount, the description, the interest rate, and the maturity schedule of the notes so sold, the price obtained and the name of the purchaser.

SECTION 6. The Capital Budget of the Borough is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. In the event of any such inconsistency, a resolution in the form promulgated by the Local Finance Board showing full detail of the amended Capital Budget and capital programs as approved by the Director of the Division of Local Government Services, New Jersey Department of Community Affairs will be on file in the office of the Clerk and will be available for public inspection.

SECTION 7. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvements or purposes described in Section 3 of this bond ordinance are not current expenses and are improvements or purposes which the Borough may lawfully undertake as general improvements or purposes, and no part of the

cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The average period of usefulness of said improvements or purposes within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is twenty (20) years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly made and filed in the Office of the Clerk of the Borough and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services, New Jersey Department of Community Affairs, and such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds or notes provided for in this bond ordinance by \$120,650 and the said bonds or notes authorized by this bond ordinance will be within all debt limitations prescribed by said Local Bond Law.

(d) An aggregate amount not exceeding \$50,875 for items of expense listed in and permitted under section 20 of the Local Bond Law is included in the estimated cost indicated herein for the purpose or improvement hereinbefore described.

SECTION 8. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the bonds or notes authorized by this bond ordinance. The bonds or notes shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy *ad valorem* taxes upon all the taxable real property within the Borough for the payment of the bonds or notes and the interest thereon without limitation as to rate or amount.

SECTION 9. The Borough reasonably expects to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section 9 is intended to be and hereby is a declaration of the Borough's official intent to reimburse any expenditures toward the costs of the improvements or purposes described in Section 3 hereof to be incurred and paid prior to the issuance of bonds or notes authorized herein in accordance with Treasury Regulations §1.150-2. No reimbursement allocation will employ an “abusive arbitrage device” under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the “Code”). The proceeds of any bonds or notes authorized herein used to reimburse the Borough for costs of the improvements or purposes described in Section 3 hereof, or funds corresponding to such amounts, will not be used in a manner that results in the creation of “replacement proceeds”, including “sinking funds”, “pledged funds” or funds subject to a “negative pledge” (as such terms are defined in Treasury Regulations §1.148-1), of any bonds or notes authorized herein or another issue of debt obligations of the Borough other than amounts deposited into a “bona fide debt service fund” (as defined in Treasury Regulations §1.148-1). The bonds or notes authorized herein to reimburse the Borough for any expenditures toward the costs of the improvements or purposes described in Section 3 hereof will be issued in an amount not to exceed \$120,650. The costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be "capital expenditures" in accordance with the meaning of section 150 of the Code. All reimbursement allocations will occur not later than eighteen

(18) months after the later of (i) the date the expenditure from a source other than any bonds or notes authorized herein is paid, or (ii) the date the improvements or purposes described in Section 3 hereof is "placed in service" (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than three (3) years after the expenditure is paid.

SECTION 10. The Borough covenants to maintain the exclusion from gross income under section 103(a) of the Code of the interest on all bonds and notes issued under this ordinance.

SECTION 11. This bond ordinance shall take effect twenty (20) days after the first publication thereof after final adoption and approval by the Mayor, as provided by the Local Bond Law.

REGULAR MEETING
June 22, 2010

A regular meeting of the Mayor and Council of the Borough of Bradley Beach was held in the council chamber on the above date.

CALL TO ORDER

Mayor Julie Schreck opened the meeting with a salute to the flag.

Sunshine Law

The meeting has been noticed publicly according to the Open Public Meetings Act requirement for "Annual Notice", and posted on the official bulletin board.

Roll Call 6:33PM

Present: Council: Cotler, Marchak, Galassetti
Mayor Schreck
Michael Affuso, Esq.
Business Administrator O'Reilly
Absent: Council Engelstad
Secretary: Municipal Clerk Mary Ann Solinski

DISCUSSION ITEMS

Special Parking Permits- Council reviewed the data concerning the parking permits and determined that two applicants have driveways which are a reason for disqualification by ordinance. Two submitted with shared driveways will be considered as full access is not always guaranteed.

Borough Letterhead and Business Cards- Council reviewed a simple letterhead with perhaps one color without any logo and decided to assign the task of final decision on the letterhead and business cards to the administrator in order to expedite the process.

Items added to the agenda by Schreck/Galassetti for consideration:
NJ Environmental Federation notifying the Borough of canvassing within the Borough July through September 2010.

Ronald McDonald House of New York requesting beach badges and mini-golf tickets for their bus trips on July 16th and August 13th.

A request from a parent requested a refund on the summer camp program as no counselor is trained in CPR etc explaining that her child has a medical condition and that she was unaware that the staff was not fully trained. Councilwoman Marchak requested that in the future the Director and counselors receive medical training. Council agreed to look into training.

Elizabeth Reynolds requested permission to hold a wedding ceremony on the beachfront lawn area one block south of the gazebo on June 26th.

Council also agreed to support a resolution supporting submission of an application for a Sustainable Jersey Grant funded by Wal-Mart.

PUBLIC HEARING ON THE 2010 MUNICIPAL BUDGET

On Motion by Schreck/Galassetti to open the public hearing.

Mayor Schreck announced that this is the time advertised for a public hearing but that final adoption by Council will not occur until the Borough receives permission for a Cap Waiver from the State of New Jersey after the state hearing on July 14th. Council noted that if the waiver is not granted, the Borough would have to look at other sources of revenue. Auditor Kaplan noted that so far the state has approved every waiver sought.

The budget as introduced totals \$7,503,143.00 which is less than the 2009 Municipal Budget which totaled \$7,761,519.00. Due to certain factors, the total municipal tax levy money raised through taxation will be \$5,938,308 which is \$337,000 more than the 2009 figure of \$5,600,824.00. The 2010 Tax rate is 52.55 cents per \$100 of assessed value for municipal purposes with the total tax levy of \$1.24 which includes local, county and school taxes.

Marilyn Rosen questioned if changes which the Governor made in the state budget will affect Bradley Beach in anyway such as the Borough receiving more state aid. Mayor Schreck responded that it will not affect the Borough as the town's state aid amount was already determined for this calendar year.

On motion by Schreck/Galassetti to close the public hearing on the 2010 Budget.

ADOPTED RESOLUTION.

A lengthy discussion ensued before adoption of this proclamation during which Councilman Cotler disagreed with free meter parking on Wednesdays noting there is a eight dollar fee for metered parking on Ocean Avenue. He noted that the Borough is seeking ways to find revenue during the hard economic times adding that the Borough just raised taxes to support the budget. Mayor Schreck responded that parking on Wednesday's is not a big revenue generator. Council agreed that this motion is great public relations. He proposed that Council offer a free round of golf for anyone possessing a beach badge as opposed to free parking.

ADOPTED RESOLUTION

ANNOUNCEMENTS

The Bradley Beach Tourism Committee is having a concert in Riley Park on Main Street June 26, 2010 starting at 7pm featuring "The Jersey Sound".

Re-organizational Meeting of the Mayor and Council will be held on Thursday, July 1st at 12 Noon.

The Jack Wright Ocean Mile Swim will be held on Saturday, July 3rd at 9:30am on Kent Avenue Beach.

Annual Fireworks on Saturday, July 3rd at 9pm Brinley Avenue Beach (rain date Sunday, July 4th).

REPORTS

Councilman Cotler thanked Marilyn Rosen for her efforts in raising donations for the mobi mats at the beachfront. Mr. Cotler suggested starting a program where the public could adopt a mobi mat and mark the dedication with plaques. He thanked fireman Walter Wilson for his work on the Department's Steak Bake and his daughter Samantha for her efforts in providing free performers at the Gazebo on the evenings during which the Borough did not schedule entertainment.

Councilman Cotler recognized Lorraine Marchak as this is the last meeting she will attend as a member of Council. He thanked her for her dedication and vigilance during her six year term serving the residents.

Councilman Galassetti noted that the new beach equipment saves taxpayers dollars. He announced that the public works building solar panels are installed and awaiting state inspection which is expected to be performed during July.

Councilman Galassetti noted noting that Councilwoman Marchak is a great person to work with thanked her for sharing her knowledge with other members.

Mayor Schreck read a proclamation recognizing and thanking Councilwoman Marchak on behalf of the Governing Body and residents for her dedication and professionalism while serving on Council.

Councilwoman Marchak thanked Councilman Cotler and his family for providing additional entertainment at the beachfront and suggested that he consider arranging the season entertainment for next year. She announced that the 9th Annual Robert J. Foti Golf Tournament will be held on August 21st. Ms. Marchak also announced that the Fletcher Lake

Commission will hold a park dedication ceremony on July 18th at 1pm. She thanked Mr. Quixley along with the members and volunteers who helped during this project. Also, during her report, Councilwoman Marchak noted that her six years of service is the hardest job she ever had. She thanked several individuals including Mayor Stephen G. Schueler for his endless words of wisdom and encouragement while serving with him on Council while noting that they did not always agree but that she has the utmost respect for him. Ms. Marchak recognized Chief Leonard Guida long with the other municipal workers. Ms. Marchak also recognized former Business Administrator Phyllis A. Quixley, Attorney DuPont, Engineer Philip R. Kavanaugh and Auditor Gerard Stankiewicz.

PUBLIC COMMENT

Chief Guida and Patrolman James Arnold presented a plaque to Ms. Marchak on behalf of the Police Department. The Borough Clerk presented a bouquet of flowers on behalf of the Administrative Staff; as well as resident Kim Sullivan presented flowers to thank Ms. Marchak.

Marilyn Rosen who volunteered to raise money for the mobi mats noted that no Borough Official notified her that the mats were received and would be placed at the beachfront despite being informed that she would receive notification. Ms. Rosen also noted that Council had agreed to place the mats on Second Avenue and that at present, they are located on Evergreen Avenue.

Brett Cotler questioned why the annual fireworks are being held on July 3rd instead of July 4th. and a brief discussion ensued.

Mr. Cotler also informed Council that he has seen public works vehicles drive over the new mobi mat which were placed on Evergreen Avenue which mats were supposed to be placed on the Second Avenue Beach. He estimated the trucks weigh at least 2,000 lbs. Others commented that the police, lifeguard and public works vehicles ride back and forth over the mats all day. Councilman Galassetti noted that the mats are durable.

Joseph Vetrano addressed Council noting that he was originally engaged to provide DJ services at the beachfront during the Fourth of July Fireworks Display and that the Borough elected to change the night of the display which resulted in that he is not available to perform on July 3rd due to a prior commitment. He stated that he received an email/ text message from Mayor Schreck stating that this situation may affect his future relationship with the Borough. Councilman Cotler asked Mayor Schreck if this text message was sent and she responded that she did send it to Mr. Vetrano. Mayor Schreck explained that the display date was changed because there was concern that if the firework display was held on Sunday, July 4th., that the number of spectators would be reduced due to work commitments the next day and if it were held on a Saturday there would be more visitors.

Wayne May again complained about the garbage situation on Main Street particularly being caused by commercial properties creating a potential health problem with rodents etc. He

noted that the Code should be enforced about placement of garbage at the curb. Mr. May also noted that all correspondence from Borough officials should be written on Borough stationary. He also noted that Mr. Vetrano has always provided some free services to the Borough over the past few years and hopes that the Council will consider his services in the future.

Kim Sullivan questioned Mayor Schreck when she will respond to the audience questions as she notices that responses are not given to individuals. Mayor Schreck responded that she will take her comment under advisement.

Pam Cicerelle said that without enforcement of alternate side of the street parking her street never gets clean. She noted that the same system used for snow plowing should be used for street sweeping including ticketing violators.

A public works employee noted that cars parked along the street causes the sweeper to drive down the middle of the street. He noted that some things are still picked up and that when the sweeper has to drive in and out around parked cars, it damages the equipment and its brushes. Councilman Galassetti said he believes that it is a waste of money noting that if you are going to do it at all it should be done correctly. Councilwoman Marchak commented that workers do the sweeping at 6am when everyone is sleeping and if they waited until 10am more cars would be gone.

Residents spoke in favor of alternate side of the street parking enforcement to keep the streets clean.

Rae Tutela noted that she is from the old school and takes out a broom and does the job herself. She likes clean gutters.

Mayor Schreck noted that the Borough has to do a better job communicating what's in the Ordinance noting that without proper signage being placed enforcement is difficult.

ADJOURNMENT

ON MOTION by Schreck / Galassetti the meeting was adjourned at 7:50 PM.
